 Odd Weeks' Collection

 Even Weeks' Collection

ECUA provides collection of yard trash every otherweek. Your address will be assigned an even or odd week for yard trash collection and you can find out which applies to your address by visiting the Santa Rosa County Website at <http://www.santarosa.fl.gov/>. This calendar shows the odd or even collection weeks.

Please do not use your garbage or recycling can for yard waste, as yard waste is collected separately from household garbage.

Place bagged, bundled, or canned yard waste within two feet of the curb, and away from the street/road. Small yard waste, leaves, pinestraw and grass clippings must be contained instandard garbage containers or plastic or paper bags that do not exceed 32 gallons in size, or weigh more than 50 pounds when full. Cut limbs should not exceed six feet in length, eighteen (18) inches in diameter or 50 pounds in weight, and must be bundled. Bundles shall be securely tied.

Hired landscaping, land clearing or tree trimming services must remove any material that they generate.

ECUA's Emerald Coast bloom compost product is now available in 40-lb. bags or for bulk pick-up at our Ellyson Industrial Park campus **by appointment only**. Please visit our website at ecua.fl.gov for more information and call (850) 969-6606 to schedule a pick-up for bagged or bulk quantities.
